Dear Sir:

The Notice to File Missing Parts of Nonprovisional Application under 37 C.F.R. §1.53(b), dated June 2, 2005, indicated that the following items must be furnished: (1) An Oath or Declaration of the inventors; (2) a \$130 surcharge for filing the Oath or Declaration after the 30 month date; (3) an English language translation of the specification; and (4) a \$130 processing fee for filing the translation of the specification after the 30 month date.

Contrary to the requirements set forth in the outstanding Notice, an English language translation of the International Application was filed with the U.S. Receiving Office on December 13, 2004. Attached is a copy of the Transmittal Letter for the instant application indicating that the translation was filed. Accordingly, Applicants submit that the \$130 processing fee for the late filed translation is not necessary as the translation was timely filed.

In response to this outstanding Notice, Applicants submit herewith the executed Declaration, the \$130 surcharge for the filing of the Declaration and a copy of the Notification of Missing Requirements. A copy of the previously filed English language specification and authorization to charge any additional fees are also included with this filing.
